# 32/2 COTONE MAKO'

Nm 27.000

**COMPOSIZIONE** 100% Cotone Egitto Pettinato gasato mercerizzato

I colori di questa cartella sono puramente rappresentativi.

Tutti i colori dei nostri filati di cotone, cotone-viscosa e lino-cotone sono tinti con coloranti reattivi che garantiscono ottime solidità alla luce, al lavaggio con normali saponi neutri e al sudore, nonché ottima unitezza. Si raccomanda di non mettere in candeggina e di non usare per costumi da bagno (no cloro piscine).

Attenzioni: dopo la lavorazione si suggerisce un lavaggio dei teli per stabilizzare la tensione e uniformare l'aspetto dei punti.

Lavare a secco i capi rigati.

**IMPIEGO** Rett. Fin. 12 a 2 capi
