MERINO EXTRAFINE

Nm 2/30

COMPOSIZIONE 100% Lana Extrafine

I colori di questa cartella sono puramente rappresentativi.

I capi realizzati con merino Extrafine sono preziosi, unici e soprattutto resistenti nel tempo. Questo filato unisce un alto valore estetico ad un grande contenuto qualitativo e presenta caratteristiche che determinano un'eccezionale elasticità, colori estremamente brillanti, solidi e soprattutto un'impareggiabile morbidezza del capo finito. Il segreto risiede principalmente in una sapiente selezione della materia prima.

IMPIEGO Rett. Fin. 12-14 a 1 capo / Rett. Fin. 7-8 a 2 capi

FINISSAGGIO

Con un semplice stiro abbondantemente vaporizzato si ottiene un ottimo aspetto della maglia. Per esaltare al meglio la sofficità e la gonfiezza del filato si consiglia una leggera follatura in acqua per 3-5 minuti con ammorbidente al 2-3% sul peso della merce, ad una temperatura non superiore a 35°C. Centrifugare, asciugare in tumbler a 80°C in 15 minuti senza essiccare. Finire stirando con abbondante vapore.
